Presentation Objective

“1 in 10 children in the USA have a disability or condition that limits their functional skills.” –Centers for Disease Control 2010

To encourage positive, inclusive experiences for all youth in Scouting, especially those with different abilities or challenges.

Why is Inclusion Important?

It's consistent with the **Scout Oath and Law**

“...to help other people at all times”

“A Scout is kind...”

Mainstreaming vs. Inclusion

Mainstreaming:

- Benefits mostly Scouts who have special needs
- Focus on Scouts with disabilities overcoming obstacles
- Accommodations are emphasized

Inclusion:

- Benefits all Scouts in the unit
- Ensures ALL members succeed in Scouting
- Welcomes adaptive approaches to improve units

Inclusion is...

An approach, not a program.

An attitude, not an activity.

Inclusion is a Process that...

- Begins with “I”
- Promotes working together
- Makes Scouting accessible to ALL members

Benefits of Inclusion

Scouts who have disabilities:

- Develop strong bonds with fellow Scouts
- Learn from their peers
- Improves Advancement
- Increased willingness to take on difficult tasks
- Self esteem and confidence increases

Benefits of Inclusion

“What can I do to make my unit, district, or council more Inclusive?”

- Start with the INDIVIDUAL
